

Thirty Years On: HIV in the UK - Theology, Politics and Mission

Date: Wednesday 2nd November 2011

Time: 9:00 – 5pm

Venue: Southwark Cathedral, London, SE1 9DA

You are cordially invited to a **free** one day study day, organised by the African Health Policy Network (AHPN), in conjunction with the Diocese of Southwark and the Diocese of London. This is an opportunity for clergy and church leaders to come together and discuss the many complexities surrounding HIV and how the church should respond.

Issues to be addressed:

- How should the church respond to HIV related stigma, shame, denial and discrimination?
- What does HIV mean for mission and ministry in the UK?
- How can the church negotiate the global politics and complex issues that surround HIV?
- Where is the voice of the church?
- How can our churches respond meaningfully to an issue that sometimes seems distant?
